The PYSA Board understands that this program does not meet the goals of every team and club in PYSA. This program is designed as an in-addition to program. Players will need to be registered on recreational teams within PYSA to be eligible to participate. Please contact the PYSA office to discuss these options if you are interested. This program was designed based on the PYSA Bylaws that say that member clubs are creating equal teams throughout their program. The Rec Plus program will be reviewed after each season to help continue to work to meet the needs of the PYSA players.
